Position Title: Physiotherapist
Location: Eldoret, Kenya

About the Job

Grand RoyalCare Medical (GRCM) is Kenya based Private Healthcare Clinic in Eldoret.

We are on a mission to protect and improve [health in Eldoret](#) through first class care. Taking inspiration from British NHS best practises, our local knowledge and delivered by leading Kenyan GPs & Nurses.

Our aim is for our facilities and methods to meet or exceed British standards. We are Kenyan owned and proud to be partnered with key figures in England helping us ensure we are working for the people of Kenya.

Your health and wellbeing is our first priority and through very turbulent times with Covid-19, we are positive our impact in Eldoret is making a difference to the lives of all of our community.

**Our Core Values: PATIENT-CENTRED. SAFETY. EXCELLENCE.
COMPASSION. RESPECT.**

Role Summary

As a physiotherapist you will be responsible for reviewing and evaluating patients 'needs, developing appropriate and adequate plans and assisting in practicing exercises and physical therapy designed to ease pain and increase mobility.

You must be well versed in the study of physical therapy with a background in rehabilitating patients with illnesses or injuries.

Duties and Responsibilities

- Screening, assessing, and providing therapeutic exercises, manual therapy, electrotherapy and hydrotherapy as per the patients/clients formulated treatment plan.
- Planning and conducting therapy treatment for patients.
- Make statistical reports on a daily, weekly, and monthly basis and submit the same to the departmental head
- Maintain and update patient records and documents.
- Provide quality physiotherapist treatment to the highest possible levels.
- Consult and collaborate with consulting physicians and other medical professionals in providing physiotherapy treatments.
